Penlan Leisure Centre

**Location**

Swansea

**Accommodation**

6,000 sq ft sports hall  
2,600 sq ft fitness suite  
28m competition pool  
Toddler/learner facility

**Value**

£3m

**Client**

Wimpey Construction Ltd

This project, commissioned by Swansea City Council was completed within the budget of £2.25m. Its design features a distinctive aluminium roof with large glazed areas to introduce natural light.

The scheme provides for both wet and dry sports facilities: a sports hall of 600m<sup>2</sup> and a large fitness suite of 260m<sup>2</sup> fitted out with the latest computer controlled equipment and facilities, a toddler/learner facility with fun water features and a pool built to National competition standards.
