

Project

Burntwood Leisure Centre

Location

Burntwood, near Lichfield

Accommodation

Swimming, sports with health
and fitness suite

Value

£6.9m

Client

Lichfield District Council

Holder Mathias won the commission to carry out detailed design and working drawings for this leisure centre and swimming pool in the Staffordshire town of Burntwood.

The new building replaced the outdated Burntwood Leisure Centre, with state of the art facilities including a 25 meter six lane pool and smaller learner pool.

The ground floor also houses two squash courts, a four court sports hall and ancillary facilities such as changing rooms, crèche and a vending/café area. The first floor comprises a multi-purpose activity room, fitness studio and health suite, together with appropriate changing accommodation and administration areas.
