Langley Park

Location

Chippenham

Accommodation

50,000 sq ft superstore

244 homes

70 bed nursing home

60 bed sheltered housing

Traffic enhancements

Client

Ashtenne Investments Ltd

The project involves an area of over 17 hectares of industrial park, close to the heart of Chippenham, a market town in Wiltshire.

The masterplan retains the existing industrial uses and employs redundant land and buildings to create a mix-use development.

Anchored by a supermarket, the project provides much needed housing and jobs.
