Hotel

Indoor & Extreme Sports

Conference & Exhibition

Centre

Value

£270m

Client

Oak Holdings

Holder Mathias has designed the Yes! project in conjunction with CZWG's Piers Gough. After a decision not to call-in the proposals, outline planning consent was granted in the summer of 2006.

Yes! is set in green belt land between Rotherham and Sheffield, next to the Rother Valley Country Park. The scheme includes hotels, indoor and extreme sports, a conference and exhibition centre and golf.
