District General Hospital

**Location**

Llanelli

**Accommodation**

Diagnostic & Therapeutic  
facilities, 200 beds  
A&E department

**Client**

Welsh Health Technical  
Services

Holder Mathias won the commission to design a new general hospital in Llanelli. The hospital is based on the 'Nucleus' design concept. Facilities include a wide range of diagnostic and therapeutic facilities, 200 beds, accident and emergency department, geriatric department, out patient facilities, substantial pharmaceutical laboratories and residential accommodation for medical staff.
